

C. A breakout by labor category of all services proposed (e.g., hardware maintenance, software maintenance, on-site applications analyst, etc.) and total price for each item. A separate breakout is required for each year of the base contract period.

D. A detailed description and breakout of any other price proposed (e.g. communications, power, cooling, etc.)

E. Separate pricing for all of the options described in section C.9.

L.6.2.3 If proposed, cost information for each subcontractor and consultant shall be furnished in the same format and level of detail as prescribed for the prime Offeror. Additionally, the Offeror shall submit the following information:

1. A description of the items to be furnished by the subcontractor.
2. Identification of the proposed subcontractor and an explanation of why and how the proposed subcontractor was selected including the extent of competition obtained.
3. The proposed subcontract price, the Offeror's cost or price analysis thereof, and performance/delivery schedule.
4. Identification of the type of subcontract to be used.

L.6.2.4 Offerors are not required to submit certified cost or pricing data with their cost proposal. Full-and-open competition will be used to determine prices fair and reasonable. However, Offerors may be requested to provide additional information in the event prices appear over-stated or under-stated.
